(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the

Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

FOREST ACT

In the Matter of the Request for a Pulpwood Harvesting Area under Section 17A of the *Forest Act*, and the Public Hearing of the Submission of Kamloops Wood Conversions Ltd. Held at Kamloops on September 6, 1962.

UNDER authority invested in me under section 17A of the *Forest Act* as Minister of Lands, Forests, and Water Resources, a public hearing was held on September 6 in the banquet-room of the Highlander Restaurant at Kamloops, B.C.

At the hearing, Kamloops Wood Conversions Ltd. presented to me proposals for the establishment of a pulp operation in the Kamloops Forest District. This operation to include the establishment of a fully bleached kraft-pulp plant in four stages, with a minimum initial capacity of 200 tons per day and the utilization of the pulpwood from the following public working circles and sustained-yield units: Barriere, Niskonlith, Salmon Arm, Spallumcheen, Adams, Barton Hill, Botanie, Eagle, Nehalliston, Nicola, North Thompson, Raft, and Shuswap.

A large number of statements were made in support of the proposal. Eleven people appeared at the hearing and in addition thirty-one telegrams and letters were filed. Representation was made by Boards of Trade, Chambers of Commerce, lumbering companies, grazing interests, individual employees, Indian bands, and railroads.

The support for the proposal ranged from unconditional to support with certain reservations. The main reservations were: That the final agreement make adequate provision to protect the interests of the lumbering and grazing interests and that the company be required to make every effort to control air pollution that may result from the operation of the pulp-mill.

One objection was received, and that was from Celgar Limited, who objected to the inclusion of the Spallumcheen Public Working Circle in the proposed pulpwood harvesting area. It was their contention that if they were to expand their pulp-mill at Castlegar, they would be looking to the Sugar Lake area of the Spallumcheen Public Working Circle as a

source of pulpwood for their future operation of their pulp-mill. They further pointed out that this area was a logical expansion of the operations being conducted on their Tree-farm Licence No. 23.

This objection is based entirely on future requirements which have not been demonstrated by actual performance, and the tree-farm licence held by Celgar has not yet been developed to its ultimate potential.

In so far as the pulpwood harvesting area before me is concerned, performance is going to determine the actual ultimate designation of the boundaries, and inasmuch as the applicants do not have the benefits of a tree-farm licence, I contend that they should have this opportunity. If they cannot in future utilize the pulpwood potential of the area, the boundaries can and will be revised on the basis of their requirements.

After considering the facts before me at the hearing, I am satisfied with the terms and conditions of the proposal submitted by Kamloops Wood Conversions Ltd.

Pursuant to section 17A, subsection (1) (d), I herewith designate the area within the Barriere, Niskonlith, Salmon Arm, and Spallumcheen Public Working Circles and the Adams, Barton Hill, Botanie, Eagle, Nehalliston, Nicola, North Thompson, Raft, and Shuswap Sustained-yield Units to be Pulpwood Harvesting Area No. 2. I further propose to grant to Kamloops Wood Conversions Ltd. an option to purchase the pulpwood from the above-designated pulpwood harvesting area subject to an agreement satisfactory to me.
